My body is aching all over.....
Weird, what happened?
That's right! There was a girl who wanted to eat me!
I died! After that I ate her!
That's not right, it wasn't done by me ... It was done by the other girl
I'm not dreaming am I? After that I revived ...
That girl seemed to came from the seed ...

I only planted a seed...
To be more accurate, I placed it in my pant's pocket
I see, this isn't me dreaming!
That's right!
You're the one who saved me!
You're a Demon Spirit!

You're a/the Demon Spirit, both are fine to TL into
